How to Add the Chrome Extension to Destiny

Step 1. Look up the Chrome Extension in the Chrome Browser by typing in Chrome Store.

Step 2. Type in Destiny and add the first extension that comes up.

Step 3. Click on the Extension in the top-right to open it up.

Step 4. Click on the Follett Link to open up the option to Configure Destiny

Step 5. Type in New York and look up your school by entering the number and or title.
Step 6. Select your school and click Go! You will be directed back to your catalog.

Step 7. Open another tab and do a search for a topic in Chrome. You will see the results from your catalog come up!

Add this Extension to all your computers that are used in the library (laptops, tablets and Desktops!)
